Communication & Payment Information

Primary Payer:

KOC uses an online billing system to manage student accounts. One parent/guardian must be designated as the “primary payer” on the account. The email address linked to this parent/guardian will be the one that receives all invoices and balance updates. Both parents will continue to receive communication emails that are not billing-related. The primary payer’s email address is the only one that will have access to all the billing details on the parent portal online. Please designate below which parent/guardian you would like to be set as the primary payer on your child’s account. If you have a unique situation where payments are split between parents/guardians, please contact the office to make arrangements.

Parent Name: _____ Verify Email: _____

Parent Portal Online:

The online parent portal is a great tool for our families! It provides an online snapshot of your child’s file. On the portal, you are able to update your child’s information, parent/guardian information, people authorized to pick up your child, etc. You are even able to upload identification pictures of your child, parents/guardians, and other contacts on your child’s account. You are able to message us directly from the portal and receive announcements. We encourage all parents to take advantage of the parent portal online!

Please bookmark this website <https://parentportal.runsandbox.com> as this is how you will access the parent portal.

Tax Info/Detailed Payment Receipts:

Receipts and statements can be printed online through the parent portal. Tax statements will also be posted to the parent portal by the end of January each year.

Text Alerts:

Please sign up for text alerts from KOC! Text @kidsofcr to the number 81010.

Email Communication:

It is very important that parents/guardians have current email addresses on file at all times. Many communications from KOC will come via email, including activity reminders, inclement weather updates, schedule changes, and other important announcements.

Private Facebook Classroom Pages:

Each classroom has a private Facebook page where they can communicate important events, announcements, reminders, etc. They will also share classroom photos and stories with their students’ families. There will be a permission slip that goes home during the first week of school that includes instructions on joining the private classroom group. If you do not have a Facebook account, you will not be able to view this group.

Please retain this for your records.

*These rates are effective as of 8/21/2023.
